## THE PRESIDENT'S MESSAGE

### Prof.Dr. NGUYEN THANH HA

*Cultural identity is the soul of a nation; is a spiritual value passed down from the process of evolution in the history of human civilization. People who work in cultural and educational research need to be objective and compassionate; to have a charitable heart in spreading and absorbing knowledge.*

# INTRODUCTION

## Vietnam Institute of Education Development

Vietnam Institute of Educational Development (VIED) is a science and technology organization, affiliated with the Vietnam Union of Science and Technology Association. VIED operates under the Law on Science and Technology as stipulated in Decree 08/2014/ND-CP of the government, approved by the Prime Minister on January 27, 2014 and Circular No. 03/2014/TT-BKHCN of the Ministry of Science and Technology, approved on March 31st, 2014.

One of VIED's political missions is to bring together scientists and experts; highly qualified managers participate in reviewing, implementing and deploying programs, topics and projects in the fields of culture, education and training; Develop programs and strategies for sustainable human resource development for localities.
